

Resolution 07-67

A RESOLUTION TO EXTEND TOWN HALL DRIVE FROM THE JUNCTION OF TOWN HALL PARKING TO INTERSECTION OF VALVERDE STREET.

Whereas, the segment of subject roadway is used as an alternative route for local traffic. Local patrons of the library and town hall use this as a thoroughfare to traverse between Camino de la Placita and Valverde Street.

Whereas, the Town of Taos Public Works Department recognizes the need to reclassify this thoroughfare to be included in the street inventory as an extension of Town Hall Drive.

Whereas, the Town Council recognizes the need to improve this roadway and construct it in accordance with the standards as outlined in the "Public Works Standard Manual" The current condition of the roadway consists of a 10" base of pit run with 4" of base course and is maintained by the Town of Taos Public Works Department

Whereas, the Town of Taos Public Works Department will propose a right-of-way width of 40 feet. Full paving specifications will be used according to the Public Works Manual when section is paved.

Whereas, this segment of roadway will be placed on our five (5) year plan to be considered for a full roadway reconstruct and will take into consideration the proposed expansions of Town Hall and the Taos Library.

NOW, THEREFORE, BE IT RESOLVED THAT THE TOWN OF TAOS COUNCIL WILL ALLOW THE TOWN OF TAOS PUBLIC WORKS DEPARTMENT TO ACCEPT THIS ROADWAY AND BE PLACED ON STREET INVENTORY.

RESOLVED, This *17th day of July 2007* at the regular meeting of the Town Council that this resolution shall go into effect upon passage.
