

**TOWN OF TAOS  
RESOLUTION NO. 08-31**

**REQUESTING FUNDING FROM THE CLEAN ENERGY PROJECT**

**WHEREAS**, the Town of Taos is known for energy conservation innovation, alternative building design, and renewable energy capacity; and

**WHEREAS**, the ability to produce clean, efficient and reliable energy is vital to the livability, affordability, and marketability of Taos; and

**WHEREAS**, the Town of Taos is committed to reducing green house gas emission while attracting clean industry to create jobs and provide income that support local families and government services; and

**WHEREAS**, the Town of Taos recently completed a land use plan for the future development of the Chamisa Verde neighborhood; and

**WHEREAS**, one of the goals for the Chamisa Verde neighborhood is to become a carbon neutral neighborhood through the production of clean, efficient, and affordable energy; and

**WHEREAS**, the Chamisa Verde neighborhood is an ideal location to produce clean energy because of the anticipated growth within the neighborhood and its high visibility; and

**NOW, THEREFORE, BE IT RESOLVED**, that the Town Council is requesting funding through the Clean Energy Project to produce renewable solar energy in the Chamisa Verde neighborhood.

Passed by the TOWN OF TAOS COUNCIL this 20<sup>th</sup> day of May 2008, at a Regular Meeting of the Town Council that was duly published.
