## DESCRIPTION OF PROPERTY:

219 Paseo del Pueblo Norte is a two-story Spanish Pueblo Revival style commercial structure with a full basement. The stuccoed building has a flat parapet with large-lite fixed wooden window units with exposed lintels. There is a full-width portal on the north elevation first floor with a flat parapet, posts, corbels, and exposed vigas. The additional full-width portal on the west elevation second floor has a slight shed roof with vigas and latillas, posts and corbels, and a wooden railing. On the south elevation is a drive-up teller location covered with a porte cochere designed as a deep portal that matches that which is on the north elevation. The building has corner buttresses. A low railroad tie wall encloses the front yard at the sidewalk. The building sits slightly above the street grade with a parking area to its east.
