DESCRIPTION OF PROPERTY:

402 Paseo del Pueblo Norte is a single story Spanish Pueblo Revival style residential building with a light stucco finish. The building's parapet is flat and steps up at the corners. Historic windows are 6-over-6 double hung wooden units; there are modern multi-lite slider units as well. Some windows have re-bar grilles across the outside. There is a bay window on the south elevation with a shed roof. The north room has 6-lite wooden windows placed in triplicate. The formerly full-width portal, which has arched openings, a knee wall, and a shed roof enclosed with parapet at the north and south end, has been partially infilled on the north end. The front door is a single-leaf wood panel unit. There is a corrugated metal shed and a two-car garage to the west of the building in the rear yard. The garage appears to be adobe with stucco; vehicular doors are double leaf wooden units. The building sets back from the street with the former front yard used for patio dining. Evidence of an acequia survives at the front property line where a coyote fence stands. Along the side property lines stand chain link fencing.

MEMORANDUM

TO: 402 & 0404 Paseo del Pueblo Norte File
FROM: Matt Foster, Long Range Planner *MF*
DATE: January 24, 2007
SUBJECT: Mr. Tarleton – Corrections to HCPI Form
CC:

I spoke with Mr. Tarleton who had the following corrections to the HCPI Forms.

402 Paseo del Pueblo Norte (Dragonfly Restaurant):

- Correct the typo in the word “it” to “is” in the Description of Property section.
- He said there is not “evidence of an acequia”, there actually is an acequia.
- The date of construction is between 1912 and 1920.
- The bay window is not a modification. It is original.
- The north wing is an addition and was build between 1944 and 1945.
- He believes the use as a restaurant is “dissimilar” to the surroundings.
- The building was purchased by his father in 1926.
- The property line is in the middle of the existing garage.

404 Paseo del Pueblo Norte (Kilgore medical office):

- It should be called the “Harry & Minnie Tarleton House & Garage”.
- His family bought it from Mr. Brisban.
- The date of construction is between 1928 and 1930.
- It was built by Harry Tarleton, not Tom Tarleton.
