

TOWN OF TAOS
PLANNING AND ZONING DEPARTMENT
DOUBLE WIDE / MANUFACTURED HOME PERMIT
APPLICATION FEE \$25.00

FILING DATE: _____ CASE # _____

Applicant (s) Name: _____

Applicant (s) Phone Number: _____

Physical Address (where the home will be placed) _____

Zone: _____ Lot Size: _____ Size of Double Wide: _____

Description of access to property: _____

Description of water and sewer utilities: _____

NOTE All septic tanks must have approval from the State of NM Environment Department and all wells must have a permit from the State of New Mexico State Engineer's Office (both permits are required before the Double Wide Mobile Home permit will be issued).

Along with this application you will be required to submit the following documents:

1. Survey of property –showing lot size.
2. Deed/proof of ownership.
3. Site Plan (showing set back distances, power lines, utilities, the access road, and the total square footage of all existing and proposed structures).
4. Well and Septic permits or Town of Taos water and sewer application approval.
5. Foundation permit.

Note

This permit needs to be obtained from the State of NM Manufactured Housing Division. A copy of this permit must be submitted before a Double Wide Mobile Home permit will be issued.
