

Play Dough

You will need:

Stove

Saucepan

Wooden Spoon

Parchment Paper or Silicone Mat

1/2 cup Cornstarch

1 cup Baking Soda

3/4 cup water

Optional: 2-3 drops of essential oil

Up to 5 drops of food color

1. Combine cornstarch, baking soda and water in a saucepan (NO heat) and stir together.
2. Turn on heat to medium
3. Stir constantly. When it starts to bubble it will turn solid fast. When a ball starts to form (will take about 4-5 minutes) take the pan off the heat.
4. Place dough on parchment paper or silicone mat to cool. It will be VERY hot. When it starts to cool, knead the dough a little bit.
5. Once it is cool, you can add oils and / or food coloring and knead it into the dough.
6. Store in an air-tight container or in a plastic baggie and squeeze the air out.
